Hi Don,

When you are free, I would like to sit down to cover some of these items. Perhaps next week at our streetscape walk around or after you send your final draft letter.

For instance the CDO, revisions. I want to make sure I track down the last steps taken by you to get you what you need.

The tables and chairs in the BID, etc. Some of these items I need more background as Nate's notes do not contain some of these items.

It will allow me to get you updates and get your items pushed forward.

Kind regards,
